

DIN RAIL MOUNTED ENERGY METER

Compact DIN rail energy meter and power quality solution

CHONG QING
BLUE JAY TECHNOLOGY
CO.,LTD

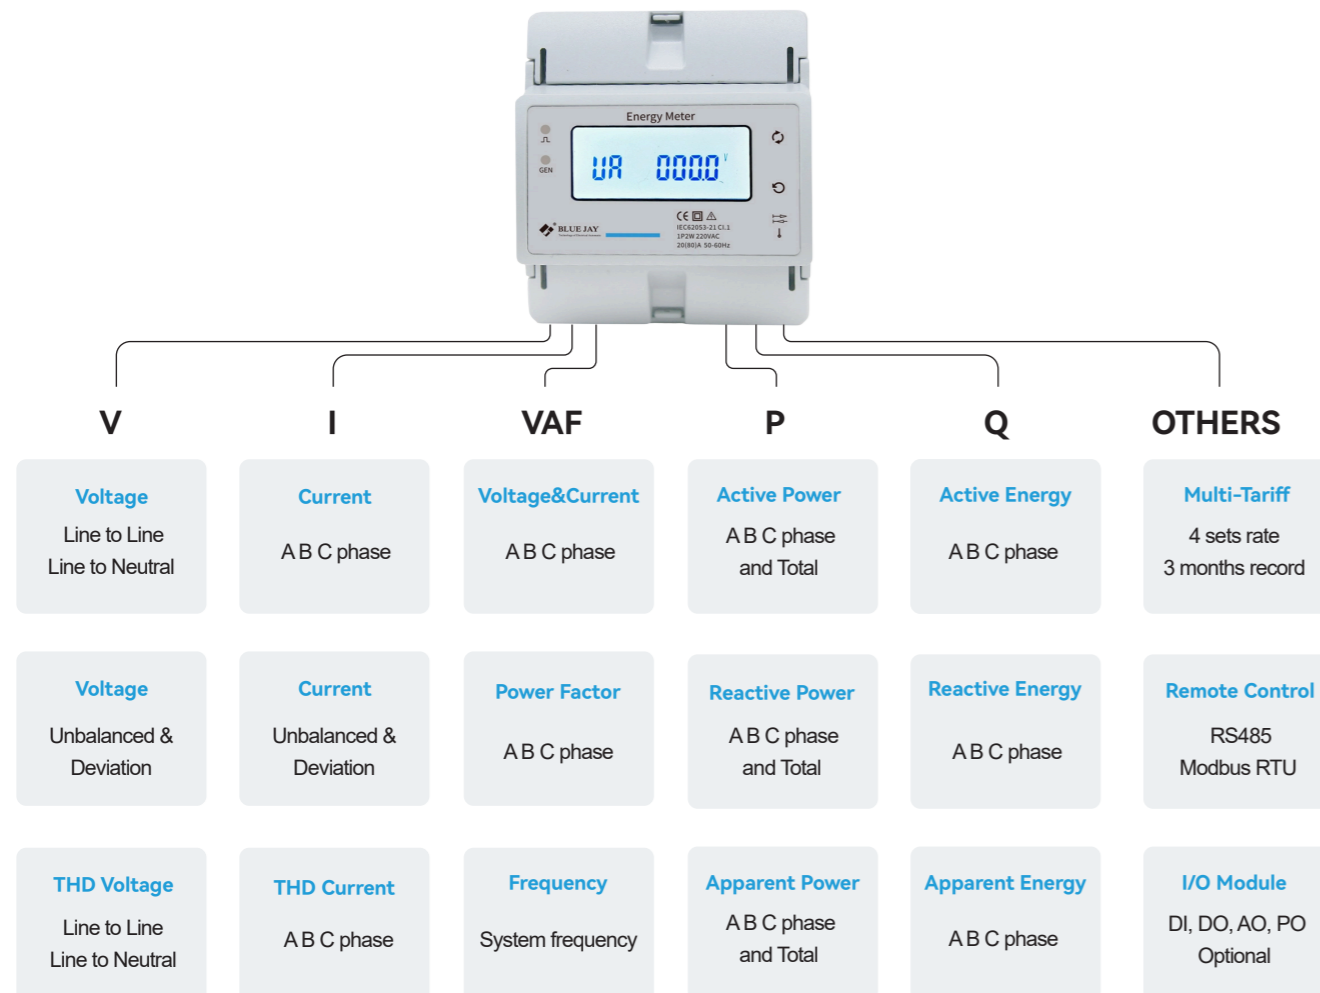

DEM SERIES

Standard 35mm DIN rail mounting, this lightweight energy meter ensures precise, efficient measurement while cutting material costs and panel load. Its low power consumption boosts system energy efficiency.

Comformity

Accuracy and functionality	IEC/EN 61557-12, IEC/EN 62053-21, IEC/EN 62053-23
Electromagnetic compatibility	IEC/EN 61326-1, IEC/EN 61000-3-2,3, IEC/EN 61000-4-2,3,4,5,6,8,11
Safety (LVD)	IEC/EN 61010-1, compliant with LVD 2014/35/EU
